**DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 07/06/06 has been entered.

After a search and a thorough examination of the present application and in light of the prior art made of records, claims 1-3, 6-9, 12-15, and 18-22 (renumbered as 1-16) are allowed.

***Reason for Allowance***

2. The prior art made of records does not teach or fairly suggest the combination of elements, as recited in independent claims 1, 15, and 16. More specifically, the prior art of records does not specifically suggests as argued by applicant's and wherein at least one of the plurality of different images is associated with at least two of the keywords having different levels of importance with respect to the one image, wherein at least one of the at least two keywords associated with the one image also is associated with at least another of the plurality of different images, and wherein the one keyword has a plurality of levels of importance so that the one keyword has one level of importance associated with the one image and another level of importance associated with the another image.

The dependent claims, being definite, further limiting, and fully enabled by the specification and are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
